5. In their letter 6th read above, Project Management Consultancy (PMC) reported that, construction of 6 Nos. of MPCS buildings in a single village (Amalapadu) is not appropriate and only two MPCS buildings at Angavanipeta and U.Narisingpalli of V.Kothuru Mandal, Srikakulam District may be considered duly dropping other 4 proposals at Amalapadu, Chintavanipeta, Ch.Batsalavanipeta and Chinnajittuvanipalem sanctioned in two different packages of V.Kothuru Mandal, Srikakulam District. They have further reported that, if 6 Nos. of cyclone shelters are constructed in the same village within the vicinity of 800 mts., the following problems are likely to be encountered during the cyclone or any other disaster:-

- Approach to more number of cyclone shelters in a single village will be totally confused and chaos created.
- Distribution of drinking water to the affected persons in more number of shelters will be a difficult task.
- Maintaining sanitation in more number of cyclone shelters may be a problematic one resulting in innumerable health hazards.
- Maintaining hygienic conditions in all the shelters may be difficult one.
- Distribution of food packets, medicines and any other consumable utility items will be a difficult one; and
- Taking care of the live stocks will be a difficult task.

6. Government after care full examination of the entire matter have decided to delete Multi Purpose Cyclone Shelters (MPCS) at Amalapadu, Chintavanipeta, Ch.Batsalavanipeta and Chinnajittuvanipalem in V.Kothuru Mandal of Srikakulam District and accordingly hereby order the following amendment to the orders issued in the G.O.Rt.No.451, PR&RD (PROGS.III) Department dated 06.04.2010 read with G.O.Rt.No.6, PR&RD (PROGS.III) Department dated.07.01.2012.
